

National Recovery Month

Prevention Works • Treatment is Effective • People Recover

SEPTEMBER 2016

## SOBER SOLDIERS on the front lines of addiction

What have you survived? What are you recovering from? Find Your Cause?

### Recovery Month 2016 Kick-off

This Recovery Month event is a collaborative effort of community members and interested individuals who are passionate about bringing the message to those still suffering with addiction and those that care about them. The interactive workshops are recovery-oriented, instructional, informational, inspirational, and appropriate for anyone who is impacted by addiction in any capacity, in any and every way.
