## SHOW BROUGHT TO YOU BY:

Coming from nowhere to being one of the most successful solo musicians in the tri-state area was not what he expected.

Nevertheless, in just a few short years, Blind Joe has shared the stage with numerous top local and regional acts, as well as national recording artists.

After multiple cross country tours, playing to thousands of fans and an excellent run on Season 9 of NBC's The Voice, Blind Joe is fast becoming a household name. Although if you asked him, he would humbly tell you, "I'm just bringin' that good stuff back"

With his quick-witted sense of humor, original country music and energetic stage presence, Blind Joe is tapping his way quickly into the hearts and minds of people all over the United States.
