PRESENTATIONS;  
TWENTY TOP-ECHELON CONFERENCE  
WORKSHOPS.**

The current field of Substance Abuse and Addiction Treatment has been evolving for almost eight decades now. During this time, we have seen many important developments as well as many failed experiments. It seems time to step back and conduct a professional inventory of where we have been, where we are now, and where we are heading. We provide a forum that encourages professional dialogues of controversial issues, showcases innovative and creative treatment approaches, and offers an overview of the field and its future.

You can learn more about the conference and register at:  
[www.TheEvolutionOfAddictionTreatment.com](http://www.TheEvolutionOfAddictionTreatment.com).

The Evolution of Addiction Treatment Conference is produced by Serene Connections, Inc.
